- **Trusted expertise** and commitment to accuracy means you can build the strongest argument with total confidence.
- **WestSearch®**, the world's most advanced legal search engine, incorporates 125 years of West's proprietary analysis of the law to deliver the best results faster.
- **Folder sharing** enables you to tap into previous research across department and organizational boundaries like never before.
- **Award-winning WestlawNext iPad® app** gives you access to your research anytime, anywhere – even when offline.

KeyCite® combines West's 125-year tradition of editorial excellence with its leading-edge technological expertise to make verifying legal research easier and more efficient than ever. Use it to instantly verify whether a case, statute, regulation, or administrative decision is good law, and to find citing references to support your legal argument.

- **Current information** – You'll see a case's direct history and precedential changes within 24 hours
- **Complete headnotes** – You'll see the full text of West's headnotes, so you can quickly limit your citing references to a relevant point of law

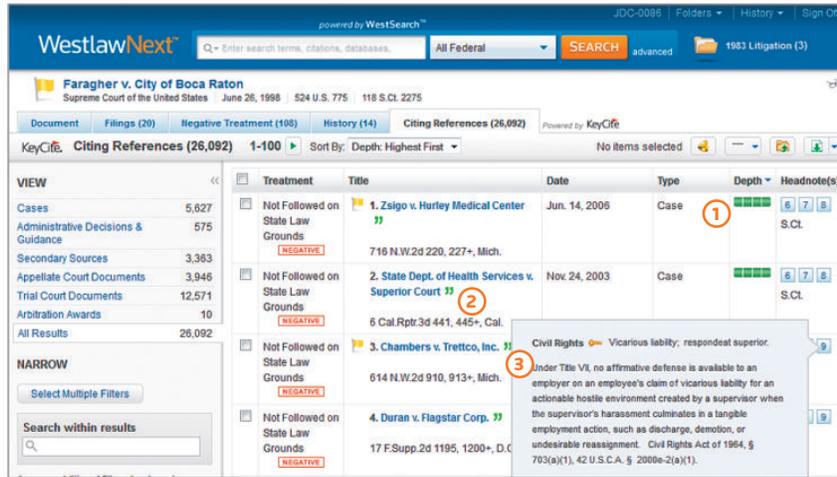

- **More citing references** – KeyCite provides more citing references for more types of documents than other services
- **Comprehensive coverage**
 - All state and federal cases in West's® National Reporter System®
 - More than one million unpublished decisions
 - Integration with the West Key Number System®
 - United States Code Annotated® (USCA®) and statutes from all 50 states
 - Code of Federal Regulations (CFR) and regulations from all 50 states
 - Administrative and IRS decisions

- 1 **KeyCite Flags** at the top of the document let you see at a glance the status of a case, statute, regulation, or administrative decision.
 - A **red flag** warns that the case is no longer good law for at least one of the points of law it contains.
 - A **yellow flag** warns that the case has some negative history, but hasn't been reversed.
- 2 **KeyCite Tabs** provide quick access to citing references, negative treatment, and other information related to your selected document.
- 3 **Most Negative Treatment Citation** provides details about the most negative treatment that generated a red or yellow KeyCite flag, right on the face of the document.
- 4 **KeyCite Alert** monitors the status of your document and automatically sends you updates at the frequency you specify when its KeyCite information changes.

KeyCite Citing References help you investigate how other authorities have interpreted that document.

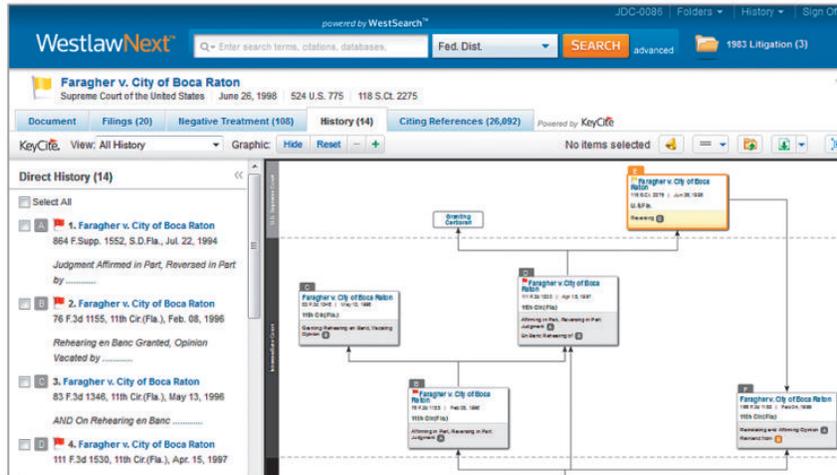

1 Depth-of-Treatment Bars show the extent to which the citing document discusses the cited case.

- EXAMINED – extended discussion of the cited case
- DISCUSSED – substantial discussion of the cited case
- CITED – some discussion of the cited case
- MENTIONED – brief reference to the cited case

2 Quotation Marks indicate that the citing document directly quotes the cited case.

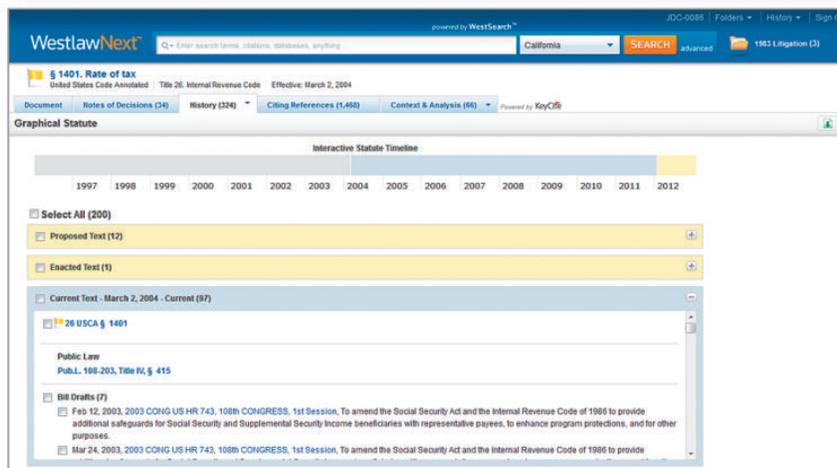

3 Headnotes indicate which point of law the citing document discusses.

KeyCite History of a case, statute, regulation, or administrative decision is available on the History tab.

Graphical KeyCite® offers a pictorial view of your case's history. It's the fastest way to see how a case has moved through the court system.

Graphical Statutes® shows the evolution of a statute in an easy-to-read, easy-to-navigate display with prior, current, and future versions of the statute, as well as pending legislation and legislative history affecting the statute. It's the fastest way to understand changes in the law and locate relevant legislative history.
