Expert Material Research on WestlawNext

Find top expert witnesses quickly with WestlawNext Expert Testimony Center. Expert Testimony lets you search state and federal court records across the country to find experts used in cases like yours. Then link to their sworn affidavits, reports, depositions, and trial testimony to get a complete picture.

- Find and verify experts by area of expertise, case type, or jurisdiction
- Gain insight into how an expert has testified in trial or deposition
- Validate an expert’s performance or find weaknesses in an expert’s testimony

How to Access WestlawNext’s Expert Materials

1. Sign into WestlawNext and select the Expert Materials from the home screen:
2. Select the “Expert Profiles” line

3. You now should see a template entitled “Profiler – Profiles of Expert Profiles”
4. Enter the name of the expert and/or other information you wish to search.

5. Once you find the expert you wish to view, select his/her name to see their profile.

6. Select the References tab (in the top left corner of the screen) to view other documents on WestlawNext where this person is listed as a reference or author.
